About Us

About Y&G Engineering & Construction PTE LTD

It was incorporated in 2008. Over these years, Y&G has received tremendous growth in organic with successful completion of a significant number of construction projects. The company, which started with a staff-strength of 4, has now transformed itself from a small sub-contract firm to reckoned biggest contract establishment of over 20 professionals and over 60 skilled workers with the warehouse 4000 square foot fully covered, multi -storey warehouse.

Over the year, Y&G has built up very strong relationships with Global main contractor, Ssangyong Engineering & Construction, Hyundai Engineering & Construction, Samsung C&T and GS Engineering & Construction, SK Engineering & Construction.

In line with market demand, Y&G continue to pursue technical excellence and expanded business beyond building construction. Now business has been extended to Engineering, interior design and System Integration work with IT. It was brought us good synergy effect.

Y&G Engineering & Construction Pte Ltd was renovated from Y&G Construction Pte Ltd since from 16 Apr 2014.
